PHOTOGRAPHY PERMISSION

Portions of the Zoom presentations will be recorded so those who miss them may access them online. If you do not wish for your picture or your child’s picture to be seen, please mute your video.

If at some point in the year, we are able to meet in person, we may take photos or videos for promotion of the program. Names of the children will not be revealed.

I give permission for my child to be photographed.

I do not wish for my child to be included in the photographs or videos.

Please Note: When pictures are taken of large crowds, it’s impossible for the photographer to know which children should not be included. If you do not wish for your child to be photographed, please tell your child to move out of the view of the camera.
