Zacchaeus- DAILY NEWS Game

Please print out a copy of the DAILY NEWS for each child.

We are going to play a listening game with them.

1. Take your paper and fold your "newspaper" in half lengthwise with DAILY NEWS showing on the outside.
2. You are going to walk around the room waving your "newspaper" over your heads while calling out, "Extra! Extra! Read all about it."
3. When I say, "Stop!" Everyone will freeze. I will read a "headline" and you will decide if the headline is good news (true) or bad news (false).
4. When I say, "Go!" you will start moving and saying "Extra! Extra! Read all about it!"
