

Parents, please help your children enter the story of Christmas and reflect on the ways we are part of that story today. Our **Nativity Zoom Session on December 12 at 11 am** will use the ornaments below as part of the experience.

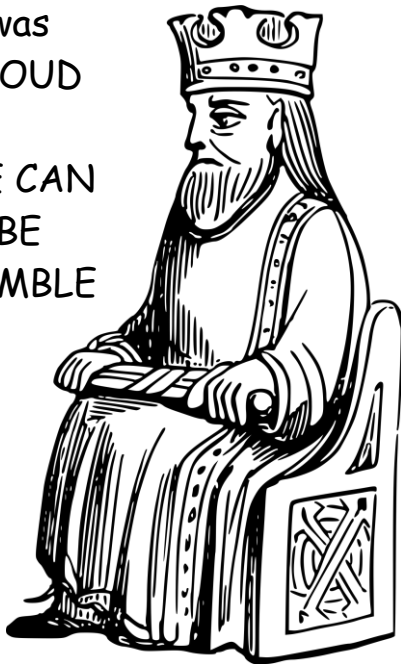

To prepare for the session:

In advance, please copy the ornaments, cut them out, and mount them onto construction paper (*You may copy multiple sets if you have several children, and each wants their own set.*) Then, gather pencils, crayons, markers, and any other craft supplies you would like to use to decorate them as we discuss the role each of these characters played in the story. You'll need ribbon or cord to hang them on your tree once they are completed

If you are not able to join us on December 12 for the Nativity Zoom Session, please complete the "Family Reflections on the Christmas Story" activity at home as a family. You'll find it on the monthly list of assignments.
