

Please print out one Lenten Good Deeds Chart for your child.

The Lenten season is a wonderful opportunity to encourage extra kindness at home. Sacrifice is a big concept for children, but they ALL understand the importance of being kind and sharing Jesus' love. We can do Good Deeds and Acts of Kindness during the Lenten season. Each time a child does a Good Deed, he or she colors a space on their personal chart. By the time Easter arrives, the chart is filled with an array of colors representing many wonderful acts of kindness.
